How to Order

To order a celebration cake I need the following from you...

The Cake

Let me know the **size, flavour, design** you would like, feel free to send me photos. This really helps (you will never get two cakes exactly the same so please bear this in mind).

I have a selection of cakes on my website for easy ordering & ideas.

Preferred Pick Up Date

What date you would like to pick up the cake from **9 Guernsey way, Littleport, CB61GD**.

Please note most cakes last 3 days uncut so you can pick up on a different day.

Payment

Once your pick up date is confirmed by me then all my cake orders require a **£20 BACS deposit**. Until this is paid you are **not** booked in, the remaining balance will need to be paid in cash on collection or via bank transfer 3 days before.

Please let me know when your deposit is paid so I can add you to my order book.

Storage & Allergies

Allergy Info

Due to using all ingredients and allergens in my kitchen I can not say anything I bake is 'free from' please bear this in mind when ordering.

Storage Info

All cakes **need** to be stored in the fridge. If you don't store your cake in the fridge the butter will soften and the cake can slide and fall apart. If traveling in a car please make sure it's cool and placed in the passenger foot well to stop it sliding around. Your cake will last 4/5 days after you pick up your order and is best stored in an airtight container once it has been cut. This doesn't include any fresh fruit decoration, this is best eaten on the day.
